## SHEBEEN SCENE

(Party in a truly South African way)

### HIGHLIGHTS:

Undeniably the heart and soul of Street Scene's party side the Shebeen Scene tour is authentic, African, and an unforgettable experience. You've probably been on a bar hopping experience of one kind or another before. But chances are you have never done it in the colourful townships of Durban and hopping from one shebeen to another. It's time that changed.

### OVERVIEW:

Join us for a bar hopping experience like no other. Instead of hitting local pubs we take you on a tour of some of Durban's most thriving shebeens! In South Africa, shebeens began as an illegal alternative to bars as black South Africans were not allowed to enter the "local pub" under the Apartheid regime. Shebeens offered places to get together, discuss politics, hold discussions and naturally, have a good time.

Originally, a shebeen would be operated from the back of someone's house, out of sight, and sold homebrewed and home-distilled alcohol. Today they are legal 'watering holes' just like any other bar, except with their own unique township flavour. A flavour always well surmised by the traditional shebeen 'pub fare', the shisanyama feast. A delicious barbeque feast eaten together off big wooden chopping boards with friends and best followed by an ice cold beer. It's a tough life ☺.

### INCLUDES:

- Transport (from central DBN locations including start / finish)
- Street Scene guide
- Shisanyama meal (please let us know if there are any vegetarians)
- Shebeen stops (3 to 5 depending on how long you take at each... we never drag you away from a party ☺).
